

## What's On at a glance in Sept.

**5<sup>th</sup> Sept.** Overview of the new Season and images from Summer Events

**12<sup>th</sup> Sept.** Competition Briefings including Set-subjects.

**19<sup>th</sup> Sept.** Critique Night 1

**26<sup>th</sup> Sept.** Moller Round 1

Welcome back to the DCC new season 2022/23, and a special welcome to all our new members. I hope you have been able to enjoy the very warm weather and been able to replenish your portfolio ready for this season's competitions.

As usual, we have a very exciting programme ahead of us, courtesy of Richard Milton-Worsell, our Programme Secretary. The month starts with an overview of what to expect over the coming season together with a presentation of members images taken at various Summer Events during the break.

Our newly launched website has some additional features including a description of each competition and how to enter them. Please use this website as much as possible as it is key in advising members of forthcoming events, results, and everything DCC. (The Website still a work in progress, bits are still being adjusted, any suggestions most welcome to our webmaster David Balaam)

Our successful Mentoring programme will continue, so if you have not been appointed a Mentor and would like one, please contact David Balaam.

Our Summer programme has been very popular this year, with the Gunpowder Mills, and the Brockham walk being well attended – many thanks to Mike Williamson and Richard Knapp for planning these. The Reigate Cave Tour, Warnham Nature Reserve and the Worthing trip were also very popular

So, enjoy the coming season, and remember, we are here to help everyone and offer;

### **'Guidance, Education and Enjoyment'**

- 5<sup>th</sup> Sept.** **Presentation of the new Season's programme** followed by images from members who went on the various Summer Events. (maybe carried over to the following week.)
- 12<sup>th</sup> Sept.** **Competiton Briefing** covering how to enter all our club competitions and use the Uploader, and more informnation on new features on the new Website..
