JANUARY 2022

HAPPY NEW YEAR. Welcome to 2022 . . . and the second part of the DCC calendar.

Unless you have heard otherwise our programme is as shown on the website under Events with meetings split between the Hall and on Zoom.

We ended 2021 on a 'high' . . . Winning the Themed subject in the new Photovision competition, and coming 3rd out of 13 in the Open subject section. (Two Audio Visuals of all the entries can be seen here <https://folkestonecameraclub.co.uk/club/photovision-2021-results>) and achieving 8th position in the Nature SPA Inter-Club competition. We had better than expected number of visitors to our Denbies Annual Exhibition with good sales of framed and mounted images.

We introduced a 'mentoring' programme which is going well and started our new training programme in December which will continue throughout the rest of the season. If you would like to talk about having a Mentor, then please write to me to discuss further.

DENBIES 2021

It was good to be back at Denbies in December with our Annual Exhibition. Visitor attendance was up 14% on 2019 and sales of framed and mounted photographs were very good, with Edward and Bogdan out-selling everyone else. Our winner of the **Walker Cup** for the most voted photograph on show went to **Grant Noble** for this **Autumn Lake View** (*see below*) – many congratulations Grant. These are just a few of the images that were on display, but the virtual exhibition website is still live and can be seen here <https://dcccexhibition.myportfolio.com/home>
